## **PIN/TEE INFORMATION FOR WORLD FINALS 2018**

Congratulations Coach!

One of the very first things that you need to do is get your team's tee shirt sizes and their pin order together.

Each team member and 1 coach will receive a free World Finalist tee shirt. One additional coach may receive the World Finalist shirt for \$10. Additional shirts can be purchased by family members or for team members to trade, see the form for pricing. PLEASE NOTE THAT THE TEAMS (including any extra shirts) MAY CHOOSE ONE OF THREE COLORS FOR THE TEAM. ALL TEAM MEMBERS, and extra shirts, WILL GET THE SAME COLOR, EITHER PINK, BLUE OR GRAY. Colors will not mixed among teams and/or extra shirts ordered through the team.

Be sure to get the correct size because shirts are not returnable and cannot be exchanged. We cannot guess on sizes. Teams and coaches are expected to wear their KY World Finalist shirt during opening ceremony and closing ceremony. Some teams also wear them to go to spontaneous. Teams/coaches who do not wear their shirts for the ceremonies will be billed for them.

In order to ensure that your team gets the pins that they want you will need to place your order no later than April 24. Pins are limited this year, so be sure to get your order in!

All Purchase Orders must be paid by May 18, 2018, or a 10% late fee will be added to your cost.

If this is your first time going to World Finals, pin trading is a very big deal and it happens almost everywhere. No matter how many pins your team orders, it will not be enough.

We may have some pins from previous years available to purchase at World Finals at a discounted price. They will be on a first come, first serve basis. We may also have some 'pin packs' available for purchase at World Finals. Teams who are new to Odyssey or maybe this is their first year at World Finals, may want to purchase a pin pack because it will have pin sets from previous years. Information on purchasing additional pins can be found at the Creativity Booth.

Please print clearly when completing the order forms and **write in blue or black ink** – the other colors do not show up well, especially if your form is faxed to me. **Do not omit any information on your forms, including complete addresses – street, city, and zip code. This could result in your order being incorrect or delayed.**

All Division II, III, and IV KY teams are required to work an hour in the Creativity Booth. You will be assigned a time to work and that time will be emailed to you within 7-10 days of World Finals. Teams usually split the hour and while ½ the team works the booth for 30 minutes, the other ½ enjoys the festival and then they switch. It is also a good way to meet other teams. Our Kentucky booth is very popular so you are sure to see a lot teams, including the foreign ones! You will be scheduled around your long term and spontaneous times.

Congratulations again, see you at World!
