The conduct of every Kentucky Odyssey of the Mind participant reflects on the entire team, membership, Kentucky Odyssey of the Mind, and the Odyssey of the Mind Program.

Kentucky Odyssey of the Mind expects that teams, parents, and coaches will conduct themselves consistent with the values expressed within the Odyssey of the Mind Program Guide.

Potential reasons for discipline are outlined in the Odyssey of the Mind Program Guide. Each team is required to know and follow the rules in the current Program Guide.

Kentucky Odyssey of the Mind emphasizes that destruction of property, inappropriate language, and conduct that is rude or disrespectful of other teams, judges, or volunteers will not be allowed.

When my team qualifies for World Finals, I agree to wear the Kentucky Odyssey of the Mind World Finalist shirt to the Opening and Closing ceremonies at World Finals. If I do not, I will be expected to pay for the shirt given to me.

By signing this form, the coach(s), team members, and parents agree to follow the statements above, the rules in the current Program Guide, and show respect to other teams, judges, and volunteers. Also, your signature permits the organizers and sponsors of the Odyssey of the Mind Program in Kentucky to use photographs of participants in public showings.

"I hereby give my consent to Kentucky Odyssey of the Mind to use my image for publicity purposes or for any lawful purpose whatsoever."

Please note that if permission is NOT given for photography/videos, it is the responsibility of the parent/guardian and/or coach to make sure that the participant is not photographed, videotaped, etc. It is not the responsibility of the KY OotM Board or volunteers to enforce this. Before a performance, teams are asked if pictures and videotaping are allowed. It is up to the team to determine this. They can also just allow persons associated with their team to take pictures and/or videotape.
